

University of Houston

Assessments for Placement

This table consists of courses which may be pre-requisites for course enrollment in your first semester. The table includes courses for which you may have earned credit through the Advanced Placement (AP), International Baccalaureate (IB), dual credit or by other means. Use this table to determine courses for which you might have earned course credit, as well as complete the appropriate placement tests that you will need to meet the pre-requisite requirements to enroll in courses for a successful semester.

Course	Courses	AP	IB*	Dept Exam**	Timing	URL	Location Method
Arabic	1501		4 SL	2.5	By Appointment	CLICK HERE	Testing Services
	1501, 1502		4 HL; 5 SL	3.5

Please read the notes below:

Notes:	* International Baccalaureate (IB) courses: Higher level (HL) or Standard level courses (SL) with Diploma. ** Departmental examinations for credit are offered on scheduled test dates during Fall, Spring, and Summer semester. Test registration information is available from Testing Services (ussc.uh.edu). The minimum scores for receiving credit are determined by the individual departments.
---------------	---

****CHEM 1111, 1112, 1117 credit is available only to those who are also receiving credit for Chem 1331, 1332, and 1372. The Lab Departmental Assessment involves a review of the student's Advanced Placement Lab Book. Please contact Dr. Simon Bott at the Department of Chemistry at SBott@uh.edu. Please contact Dr. Simon Bott at the Department of Chemistry at Sbott@uh.edu.**
